Recreation Grant Presented

M.L.A. Rusty Zander presents a $16,000 cheque to Reg Samis, Chairman of the Recreation Board, on behalf of Al McRoberts (left) of the Department of Youth, Culture and Recreation. The cheque represents Drayton Valley's per capita recreation grant.

St. Anthony's Addition to Start Soon

St. Anthony's School in Drayton Valley will be receiving an addition of three classrooms and a gymnasium extension in early spring, according to Bill Tuttle, general manager and civil engineer with Electrical Contractors (D.V.) Ltd.

The contract to build the addition was awarded to E.F. Builders Ltd. about three weeks ago, and it it expected construction will begin on the site in early spring.

Work is already in progress on the pre-fabricated materials necessary for the 3,500 sq. ft. addition. Three classrooms will be constructed as well as a shower room storage area for the gymnasium.

The $112,000 addition will be completed by the beginning of the 1972-73 term and will extend from the north-east end of the existing Elementary-Junior High school.

MacLeod's Manager Receives Promotion

Jack Pickett, Manager of the Drayton Valley Macleods Store since June 6, 1967, has received a promotion to Manager of a new and larger outlet in St. Albert.

New Manager for Drayton Valley will be Ted Tywoniuk, Assistant Manager at Barrhead.

Born in Shaunavon, Saskatchewan (south of Swift Current), Mr. Pickett received his schooling there and began work in a hardware after graduation.

The hardware was taken over by the Macleods chain three years later, and Mr. Pickett became Assistant Manager for 8 1/2 years.

In a promotion to Manager of the Unity Macleods Store, he moved to Unity where he remained for 5 1/2 years. During that time he was a member of the Chamber of Commerce and held the position of President for a term.

His next promotion was to Drayton Valley, where he has held the position of Chairman for the Retail Merchants Association, as well as being a member of the Lions Club.

Married and with three children, Mr. Pickett expects to move sometime in February to his new position.

Council to Review Town Zoning Bylaw

At the regular meeting of January 27, Town Council authorized the study of the town's building and zoning by-law by the Development Committee, particularly as it pertains to lot sizes in Residential areas 1A and Commercial 2.

Last residential subdivision to gain approval before the proposed review involves a tract of land on the town's southern boundary. Council approved the subdivision to be known as Block 61, located south of Block 49, Plan 6613 M.C., in the N.W. 9-49-7-W5.

The land, located between the last row of houses on the south and Sekura Auctions land, is owned by Mrs. M. P. Lindgren and being developed by A. Meier Real Estate.

Another development application approved by Council was the request by D.V. Ford-Mercury to purchase 11 lots in the West Park Mobile Home subdivision. The company will offer prospective buyers a package deal on mobile home and lot purchases.

COUNCIL BRIEFS

At its regular meeting on January 27, Town Council appointed Quilliam, Stuart and Associates as auditors for 1972 and White, Trott and White as solicitors for the town.

Councillor Betty Waugh, Chairman of the Health Committee, was appointed to represent the town on the Breton-Drayton Valley ambulance Board for the next year.

Council will approach the County of Parkland with an outline of increased costs in maintaining the Fire Department and a request for a review of the County's portion of the costs.

Discussion was held on the feasibility of continuing the comfort station in the basement of the Administration Building and it was indicated that not much use was being made of the facility. It was decided that a representation of the Women's Institute be requested to attend the next council meeting to substantiate continued necessity for the facility.

Council made a general study of the first draft of 1972 estimates. It was generally agreed that some cutting would be required to bring expenditures more in line with estimated revenues.

P.C. Nominations to Wind-up in Drayton

One of the most unusual and extensive Conservative nomination meetings in the coming federal election will start March 6 in the Rocky Mountain House constituency.

The winner won't be declared until the final nomination meeting in Drayton Valley.

Meetings start in Blairmore on March 6, then are held on consecutive nights in Turner Valley, Banff, Jasper, and Hinton. Starting again on March 14, meetings will be held consecutively in Grande Cache, Swan Hills, Whitecourt, Edson, and concluding March 18 in Drayton Valley.

Vice-presidents elected at a general meeting for each region within the constiuency will organize the meetings, with each centre having its own area director working with the Vice-President. Local Vice-President is Mrs. Marilyn MacLean.

Declared candidates for PC nomination are Doug Caston of Edson, Joe Clark of High River and Bud Gourlay of Banff.

Last date for nominations is February 23.

It is expected that representation from federal and provincial PC parties will be present at the final meeting in the new High School auditorium at 8:00 p.m.

Candidates will be visiting Drayton Valley before the nominations meeting and will be interested in talking to groups an meeting as many electors as possible.

Affairs Satisfactory According to Report

Annual inspection of the books of the town of Drayton Valley was completed recently by the Department of Municipal Affairs and found everything generally in order.

Minutes were found adequate and office administration conducted in a satisfactory manner. One or two technicalities in the by-law register were pointed out.

Cash was verified and the report indicated assessment and tax roll appeared to meet all statutory requirements of the Municipal Taxation Act.

The report goes on to say, "The 1970 Auditor's Financial Statement records a healthy surplus of $43.360.37 in the general revenue account; however, an operating deficit of $21,532.66 was shown in the water supply system account and the actual cash position at the end of 1970 could only be considered as fair.

"The current budget provides for a deficit of $2,693.85 and it is suggested that every effort be made to keep current expenditures within the budgeted allocations with a view of improving the financial position of the Town.

"A debenture by-law in the amount of $186,027.00 was approved in 1971 to cover the installing of a water line to the river to ensure an adequate supply of water for the Town as problems were encountered in drilling wells in that area. A further debenture by-law in the amount of $261,700.00 has been prepared to cover the installation of a water treatment plant as part of the water supply system."

Council, at its regular meeting January 27, discussed the report which will be filed and read again at the annual meeting of ratepayers.

Senior Citizens' Home Contract Awarded Friday

Contract for the construction of a Senior Citizen's Home in Drayton Valley was awarded to Forest Construction of Edmonton by the provincial government on Friday, February 4th.

The $546,890 project is expected to be underway within a few days, according to the announcement by Rusty Zander, MLA for Drayton Valley constituency.

The home will be constructed on land purchased recently south of the Elementary School on 50th Street.

Evansburg Selected for Talent Semi-Final

Twenty-fifth Annual Search for Talent Season is approaching the elimination series with the announcement of the locations of the three regional semi-finals.

Larry Brodeur, Director of Search for Talent, for the Associated Canadian Travellers announced that Vegreville, Evansburg and Ponoka have been selected as the sites for the semi-finals, to be held April 8, 15 and 22 respectively.

At each semi-final twenty-four contestants, four from each of six communities, will perform. There will be competition in four categories - the Sunwapta Scholarship Primary; Showmanship; Fireside and Junior.

Contestants from Swan Hills, Mayerthorpe, Whitecourt, Westlock, Stony Plain and Slave Lake will compete in Evansburg, April 15th where the show will be held under the auspices of the Kinsmen Club.

On April 22, the Ponoka Lions are the hosts, with contestants from Holden, Consort, Big Valley, Drayton Valley, Leduc and Provost.

The 12 winners - four from each semi-final, will appear on CFRN - T.V. for video taping the final, which will be broadcast on Saturday, April 29th, both on CFRN - Radio and Television.

A special highlight of the final broadcast will be the draw for the $25,025.00 A.C.T. Sweepstake Awards. Early Bird Sweepstake winners are being declared on each weekly show throughout the season, with the top $15,000.00 prize plus five lesser awards to be declared during the broadcast of the final.

Modelling Prospects

Not so very long ago, a Drayton Valley gal, who goes by the name of Wendy Medwed, made her appearance in Edmonton - and what an appearance!

Walking through a store, she realized a lady was following her. Much to her dismay, she thought that the lady might be a store detective --tailing Wendy, because she thought she had stolen something.

However, as all good tales, it had a happy ending. The lady was from Cover Girl Agencies in Edmonton and wanted Wendy to take their modelling course.

Now, Wendy took it upon herself to take advantage of such good fortune and enrol for six weeks. She is now finishing her grade 12 and sees modelling prospects soon after graduation.

Motto of the story? Be in the right place, at the right time, with the right legs, the right figure, and the right walk, and you just might be lucky enough to be noticed by a modelling scout!

Officers elected for one year terms by Unifarm Local #54-19 at the annual meeting February 3rd, Secretary (for her third term) Mrs. Hoge; President (for second term) William Dusterhoft; Vice-President Otto Guze. Present was Unifarm District Chairman, Gaston Jouan (back).

UNIFARM ELECTS OFFICERS

Unifarm Local #54-19 put William Dusterhoft back in the chair as President for his second term when officers were elected at the annual meeting February 3 in the Elks Hall.

Mrs. Frank Hoge was elected secretary for her third term, with Otto Guze taking the position of Vice-President.

Following a pot luck supper, District Agriculturalist, Earl Lowe presented a talk on new seed varieties and possibilities for the Drayfon Valley area.

He explained the changes in classes of seeds by the Canadian Seed Growers Association that have been made in the last few years, as well as giving advice on types for this area.

He discussed the possibilities of field peas in the area. Although the crop has a good feeding value as it is high in protein, there are problems with mildew and harvesting.

A new crop introduced in Canada recently is Horsebeans. Still in the testing stages, there are possibilities of selling it to Japan for human consumption, although livestock is the main use here.

Gaston Jouan, District Unifarm Chairman, briefed the local on some of the resolutions at the Unifarm Convention in December and took the chair during election of officers.

COUNCIL BRIEFS

Cont. from Page 1

Councillor Mayhew left the meeting while the matter of truck purchases were discussed. Council authorized the purchase of a 1970 4-wheel drive G.M.C. 1/2 ton from Mayhew Motors Ltd. for use in the water works dept. The 4-wheel drive vehicle is required for negotiating hills in the river valley in all kinds of weather for maintenance work at the river end of the town's water line.

Council also authorized the purchase of a Datsun pickup truck for the Public Works Department.

Council studied the statement of the Waste Collection and Disposal Contractor and felt the proposal was reasonable and fair to both parties. Accordingly, the Town renewed the contract with J. Hazzard for Waste Collection for the ensuing year.

Public Works Chairman Bob Huber reported the need of some additional equipment for his department and was requested to bring a report on needs and costs to the next meeting.

Recreation Chairman Marv Helm reported for his department noting several requests for grants. It was decided that the matter of grants to local organizations would be reviewed at the next meeting, and if contined, some method be devised to ensure equality in each future decisions.

Snowmobile Club Growing; Now Over 235

The Drayton Valley Snowmobile Club had a very busy season organizing supper meetings, executive meetings and family days.

They now have in the club over 60 family memberships, which involve about 235 men, women and children. The highest issued machine number to date is #76. The club is growing every day, which shows a big interest in organized snowmobiling from last year. There were about 30 family members last year.

On January 8 and 9 Wes Kennedy attended the executive meeting and also the general meeting of the Alberta Snowmobile Association at Swans Juniper Inn at Lacombe.

The outstanding subject was the setting up of "Snow Patrol". This is a five year project, sponsored by the Government. Instructors are now being trained who will in turn, train other personnel.

They will have training in rescue, First Aid, Mechanics and many more useful courses. Their winter help will be felt throughout the country.

Senior Citizens Elect Officers

The Annual Meeting of the Senior Citizens Club of Drayton Valley was held in the Elks Community Hall January 28. Despite the cold weather, 44 members turned out to take part and renew their memberships.

The President and Secretary-Treasurer had reports read and discussed.

The highlight of the year of 1971 was the success in moving the construction of a Senior Citizens' Lodge from a dream to becoming a reality.

During 1971, the club sponsored a Social, a bus trip to the Alberta Museum in Edmonton, a float in the Rodeo Parade, and a picnic at Easyford Park. The ladies helped at several bazaars.

An election of officers for 1972 resulted in E. Hines being elected president; Everett Brandt, Vice-President; Secretary-Treasurer, Chester Miller; Directors, Mrs. Fred Duckett, Les Herndon, Chris Reich, and Mr. Fred Duckett.

The club feels sure of the continued interest and support of the completion and occupation of the Senior Citizens' Lodge in 1972.

ROAD CONSTRUCTION
SEMINAR

Notice was received from Torchinsky Consulting Ltd. that a Seminar on Road Construction will be held in Edmonton on January 26, 1972.

It was agreed on motion that the Public Works Manager, Area Foremen and any Councillors so wishing, attend this Seminar.

Advice was received from Bendwood Holdings Ltd. who have purchased Collingwood Acres from Burch Brokerage (1964) Ltd. that they wish to lease the road allowance South of the SE 1-51-26-4 on the same terms as the previous owner.

It was, therefore, resolved that the County of Parkland No. 31 lease that portion of road allowance adjacent to the south side of the Sout East Quarter of Section One (1), Township Fifty One (51) Range Twenty Six (26), West of the Fourth Meridian to Bendwood

LEGISLATIVE REPORT

By Kevin Peterson and Don Sellar (of the Calgary Herald)

The old Social Credit government's grid road program will be continued and perhaps accelerated by the Lougheed administration.

Highways and Transport Minister Clarence Copithorne said in an interview the $400 - $500 million rural road scheme is a sound blueprint which the Tories will modify from time to time.

A start on the 20-year program was made last year, and when it is finished every Alberta town will be served by blacktop roads.

The province spent about $10 million on the grid road plan last year, but Mr. Copithorne remains non-committal about the amount to be budgeted this year.

It will be remembered, however, that the new highways minister was an enthusiastic supporter of former highways minister Gordon Taylor's scheme first proposed three elections ago and last year proposed a private member's resolution urging a speed-up in its implementation.

It is likely that the government will propose a new administrative vehicle for financing the grid road blueprint as well as other major road construction in the future.

During the 1971 election campaign, the Conservatives suggested creation of a provincial highways commission which would borrow the necessary funds and commit them for construction.

Mr. Copithorne won't confirm that the highways commission will be included in the March 2nd Throne Speech, but sources indicate it's on the way.

The fact that Alberta no longer finances highway and public works construction projects out of oil revenues means some new structure is necessary for the obtaining of funds.

Meanwhile, it appears that the Lougheed government has listened to the deluge of complaints from local governments which followed the announcement that municipal assistance grants would again be pegged at $38 million this year.

Premier Lougheed met the demands with a 10-per-cent boost in the grant allocation, which means $42 million will be available.

Of the increase, Calgary and Edmonton will each receive about $1 million and the remaining $2 million will be split on a per capita basis among other municipalities.

The government has repeated its promise that 1973 will see the introduction of a major provincial-municipal finance overhaul which will include more money for local governments.

Breeders Plan New Association

February 4, a group of livestock breeders gathered to consider the formation of a new breeders association to welcome all livestock breeds, British and exotic per centage cattle.

The first objective is an all-breeds livestock sale to be held at Sekura Auction Mart April22. This sale will include selected males and females from all breeds. It is hoped that this will give livestock breeders the opportunity to select breeding animals most suited to their operation.

An official organization meeting will be held Feb. 15 at 8:00 p.m. at Sekura Auctions. Livestock breeders are welcome. Further information from 542-2268 or 542-4337.

Seek Review School Costs

At the regular meeting on January 27, Town Council read and discussed a letter written by M. Holman, Superintendent of Schools for the County of Parkland, to the Alberta Department of Education.

The letter suggested that the department might review the unapproved costs payable to the Town of Drayton Valley and the County of Parkland for the new senior high school completed recently.

According to the pre-construction agreement, the town and county were required to pay the unapproved portion, which amounted to $50,000 for the town.

Council approved the Superintendent's action and members were optimistic about the possibility of being relieved of the debt.

Challengers Gain Weekend Tie

On Sunday, February 6, the Burrows Motors Challengers hosted Scott Pump Service, a AA team from Edmonton Maple Leaf Athletic Club, holding second place in its league. Contest ended in a 2 - 2 tie, with 30 - 27 shots on goal in favor of Edmonton.

The Edmonton club went ahead at the 46-second mark of the first period, when Snaychuk scored. Edmonton's Jaggard scored again at 19:40 in the second period.

Although the Challengers had many good opportunities to score in the first two periods, they were held scoreless until the 2:21 mark of the third period when Koebernick scored from Case. Challengers evened out the score at 13:20 with a goal by Case from Koebernick.

The Challengers will see action again at 5:30 p.m. Saturday, February 12 when they meet the Red Deer Chiefs in the Drayton Valley Civic Center.

Regional 4-H Council Plans Several Events

The annual meeting of the North West 4-H Regional Council was held on November 10th, 1971 in the MacDonald Hotel.

The curling bonspiel will be hosted by Lac Ste Anne in the latter part of March. The South-half public speaking finals will be hosted by Leduc District Council on Saturday, April 22nd, Tom Martin will be co-ordinator. The North-half public speaking finals will be hosted by Thorhild District Council on Saturday, April 29th with Mrs. Macyk as co-ordinator. The Public Speaking has changed somewhat this year -- a Junior division includes 4-H members who were 13 years of age or younger as of January 1st of the year of the completion. Senior division would include those members who are 14 years or older as of January 1st. The senior division has three categories in which the speaker may choose: Speech to entertain; Persuasive speech; and Informative speech.

There will be no Tap Dance Spectacular this year.

Doug Bienert reported on camp He-Ho-Ha 4-H camp. Three day camps were held with 110 boys and girls attending.

Allan Shenfield and Dorothy Rigney were elected to sit on the Provincial Advisory Board.

Each local 4-H Club will pay $10.00 per club to the North-West Council payable by June 1st, 1972 to Mrs. Margaret Borle, R.R. 1, Site 2, St. Albert.

Mr. Bienert recommended that the use of Leaders' score sheets be discontinued.

An exchange trip with California during the last week of July or first week in August was approved.

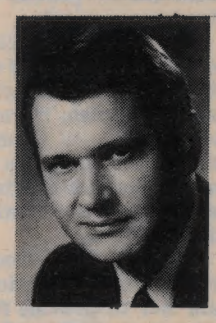
Report From Parliament Hill

By Allen Sulatycky, M.P.



On January 22, in Saskatoon, Saskatchewan, the Minister responsible for the Canadian Wheat Board, Otto Lang, had good news for the Canadian wheat farmer.

The government had been assessing the growing burden of rising costs on the wheat grower, and his dependence for income upon world pricing practices. Although many groups in Canada have the power to demand increasing returns to offset costs and to give them a share of increasing productivity, the export grain industry has never been in a position to do this.

It was realized that special action was justified to give a fair deal to farmers caught in the cost-price squeeze.

In 1969, the government had introduced a two-price system, when it was announced that the price for domestic human consumption wheat should be held at $1.95 1/2 while world prices went lower.

Now the government has adopted a realistic two-price system, and has agreed that the returns to farmers should be based on a domestic price for wheat for human consumption of $3.00 per bushel.

In order to avoid any pressure on the price of bread, it was decided to leave the $1.95 1/2 price to millers in effect and to pay to farmers the difference between that and $3.00 from the Treasury.

The methods of payment and the distribution between farmers of different regions will be announced at a later date.

Mr. Lang cautioned that this income assistance measure should not be taken as an incentive to increase wheat production. Contrarily, he said that the same amount or even less wheat will be adequate production next year, while barley demand will require an increase in acreage.

The Minister cited the making of this announcement of a better two-price system as the greatest victory of his career.

As an indication of a better deal in sight for the wheat grower, and of a willingness of the government to explore farm problems in general, I join with many others in welcoming this plan.

Education Week March 6 to 10

Education Week is elected for March 6 - 10, with the hope that all persons will co-operate for a better understanding of the education of Alberta's youth.

Sponsored by the Department of Education, Alberta Student Councils, Alberta Teachers' Associations, Alberta School Trustees' Associations, Education Week was established to call public attention to the importance of education.

It was started to remind Albertans that good schools are, to a very large degree, their personal responsibility.

Special visits, speeches, discussions, films, radio and T.V. programs will be scheduled for schools, trustees, teachers, home and schools, students, superintendents, and provincial activities.

Brightwood News

The school bus managed to bring children to school every day during that cold spell recently. High school students who attended Evansburg High were fortunate enough to be present to write their first semester final exams. There were some anxious moments as residents watched thermometers dip to an unbelievable -62 degrees.

Dan Lalonde, 19, was rushed to the hospital January 21 with acute appendicitis. They operated immediately and he came home four days later.

Chatty and Gordon McEachern are preparing to move to Entwistle shortly, across from the Elks Hall.

Have noticed some testing equipment working down at the corner of highways 16 and 57 and now moving south. It appears they are testing for gravel.

Most frequently asked question these days -- Is there a floor price for hogs and if so, how do I calculate my benefits under the Agricultural Stabilization Act?

Two facts are missing to completely answer this question at the moment. One is the 10 year average price to the end of 1971, the other is the national weighted average for 1971.

However, we will try to give some interpretation so that when these facts are available, you will be able to apply them to your situation.

Back in 1958 the Government of Canada passed an Act known as the "Agricultural Stabilization Act". It is an act aimed at stabilizing the prices of agricultural commodities. Under this act the Government listed 9 farm commodities on which the price level must be supported at a level not less than 80 per cent of the 10 year average price. Hogs is one of these named commodities so it is reasonable to expect some kind of support price if the required conditions are met.

The ten year average price for Index 100 hogs to the end of 1970 in Canada is $30.18 per cwt. This is a national average and is calculated from seven regional stockyards across Canada. If you take 80% of $30.18 it is apparent that the "floor or support level would be $24.14 for index 100 hogs

To carry out the work of this Act, an "Agricultural Stabilization Board" has been set up and also an advisory committee is appointed by the Minister of Agriculture for Canada. This committee advises the Minister on the Board on matters relating to the stabilization of prices. The act directs the Board to stabilize prices but does not direct the method to be used. Thus, the Board may use such methods as "deficiency" payments, or by purchase of a commodity at a "floor" price.

If the Board uses the "dificiency payment" method this would simply be a payment to eligible producers at the end of the year, of the difference between the accumulated national average price received by hog producers and the support level for the year. This difference could be paid to producers on the number of pounds of eligible product delivered to slaughter.

However, for this system to be used, it will first be necessary that the national average price for the year be under $24.14. For the sake of all hog producers let's hope we have a higher average price than that.

The Alberta Hog Producers Marketing Board has asked the Federal Government to reconsider its hog deficiency payments under the Agriculture Stabilization Board.

Dr. Jeffery, General Manager Alberta Hog Poducers Marketing Board said the Alberta Hog Producers Marketing Board strongly recommends that the Agriculture Stabilization Board seriously consider adjusting the floor price of hogs upwards to provide for:

(1) A floor price of 90% of the last 10 years floating average national price, and

(2) Payment to be made on a maximum of 200 hogs regardless of grade for any single producers.

"Floor prices under the existing system would be about $24. per hundred weight for 1971. However, if the Board's proposal is accepted, it would have the effect of adjusting the floor price upwards to about $27.00 per hundred weight dressed", Dr. Jeffery said

Just released in the media, February 1st, 8:00 a.m., payment will be $5.00 per hog in a maximum of 200 hogs with a grade index on 100 or more.

Also received note of the Beef and Dairy A-I School which will be held in Drayton Valley from February 14th to 18th.

Breton Women's Institute Holds Regular Meeting

With Edith Craig, Vice-President, in the chair, the regular monthly meeting of the Breton W. I. was called to order on January 27th at the home of Mrs. Stella Myrhaugn.

The 2:00 o'clock draw was won by Mrs. T. Williams.

Mrs. T. Williams reported sending a potted plant to Mrs. Rena Mockerman, now living in B. C., for her 90th birthday on behalf of the club.

Roxy Riech reported trying to get the Canopy for the hall kitchen, but has run into a problem, which her husband is trying to straighten out and will report following his progress.

Mrs. Williams reported on the Sunshine Committee and was asked to send a sympathy card to Mrs. Jack Barrett and family on behalf of the club.

Correspondence was read, consisting of a thank-you note from Mrs. Logan Purdy, a pamphlet from Mrs. McMillan and the Handicraft list for 1972, from Mrs. Scheideman. Lorraine Hoffman offered to type copies of this list for all the members.

The motions made from the last 19 years, (since the organizing of this chapter of the W.I.), were read and we decided that as this book was so long, just the barest details were discussed and it was decided to revise these motions at a later date. These new Motions will be typed out and kept in the back of the book of Minutes for easy reference and will try to keep these motions up to date.

Lela Ellis prepared a very interesting paper on Education which gave us all food for thought

Lorraine Hoffman made a mothat we buy a fire-proof box to keep our early Minute books and papers in, which would be irreplaceable in case of fire. Roxy Rieck kindly offered to keep this box for us.

May Hawryluk was asked to send for the new Report Forms.

As Linda Movald has already been given a baby book for their new son, Duane, the Club bought her a photo album which Roxy offered to give to her on behalf of the club. Due to the extreme cold weather, Linda missed this meeting.

Tea and draws netted $2.02.

The Program Books for 1972 will be passed out at the next meeting as they are not finished yet.

Mrs. May Bevans won the nickel draw and Mrs. May Hawryluk won the penny draw.

Members please take note that the next meeting will be held on February 24th at the home of Mrs. Anna Horvath at 2:00 p.m.

Let's see if we can have an attendance of our 24 members at our next meeting on the 24th of February.

Red Cross Annual Meet.

All interested persons are invited to attend the annual meeting of the Drayton Valley Red Cross Association, to be held Thursday, February 10 at 8:00 p.m. at the home of Mrs. Peggy Tyler, 4844-54 Avenue.

Mr. Yuiell of Edmonton, an executive of the Alberta Red Cross Association, will be present for the occasion.

Berrymoor News

The Berrymoor Community was saddened by the sudden death of Mr. Jack Barrett of Breton on January 24th. He was a long-time resident of Berrymoor, having moved here with his parents in the early 1930's. Except for overseas service he lived here continuously until five years ago when he moved to Breton to operate the Imperial Esso Bulk Station. Sincere sympathy is extended to all members of his family. Funeral services were held in the Lindale Hall on January 27th with interment following in the Berrymoor Cemetery.

Get well wishes to Mrs. Ann Van Ember who had the misfortune to injure herself as the result of a fall on an icy sidewalk.

The thirty-fourth annual meeting of the Berrymoor Three B's Club was held at the home of Mrs. Cora Fewster on the afternoon of January 29th. A birthday cake was supplied by Mrs. Ann Van Ember The February meeting will be held at the home of Mrs. Florence Johnston.

A bridal shower in honor of bride-elect, Miss Gloria Van Ember, will be held at the home of Mr. and Mrs. Edward Van Ember on the evening of February 5th. Gloria plans to be married later this month and we want to take this opportunity to wish her much happiness.

The mild temperatures of the weekend were so welcome after the extremely cold weather that has had Alberta in its icy grip for the last couple of weeks. In some cases all time records were set for low temperatures.

Mr. and Mrs. Martin Lietz had the misfortune to lose their barn and all its contents by fire on January 28th. Included in the loss were 18 pigs, a quantity of grain also some lumber and tools. The high winds of the day made control of the fire impossible even though a number of neighbors rushed to the scene.

Along with other young farmers from various districts Mr. Brian Thorsen of Berrymoor has been attending study sessions in Breton designed to improve their knowledge of modern farming practices.

Get well wishes to all of our readers who are suffering from the 'flu' that is making the rounds just now, and from what we hear that includes quite a number of folks.

Agricultural Board Meets

Minutes of meeting of the Agricultural Committee, County of Parkland No. 31 was held at the County Office, Stony Plain, Alberta on Tuesday, January 25.

Members present were Mr. Leslie Miller, R. Bailey, I. Vowk, J. Fuhr, George Mann, Peter Bakker, Maurice McCullagh; Agricultural Fieldmen, William Moelhoff and Otto Reich; District Agriculturist, Tom Brown.

NOMINATION OF CHAIRMAN

Mr. Les Miller called for nominations for chairman. Mr. Peter Bakker is the new chairman of the Agricultural Committee.

Mr. William Moelhoff read the minutes of previous meeting affecting account for weed control work on N.E. 15-53-5-5.

Action has been taken to ensure payment of this account.

Councillor Bakker recommended all new Councillors receive copies of Noxious Weed Act and correspondence pertaining to this account.

AGRICULTURAL FIELDMEN'S REPORT

Mr. George Mann questioned if County Forage Policy is creating the closing of elevators through reduction of deliveries. Council felt it was not a contributing factor.

Mr. William Moelhoff was requested to give a fuller report on the Manpower Course for the next meeting.

Question of placement of 1080 baits as apparently some complaints have been received by Councillor Bailey on their dangers.

Councillor Bakker did not feel fieldman should be expected to evaluate seed plants and perhaps department personnel should be required its rate classes.

Mr. Otto Reich reported that he inspected several questionable tree planting sites. The District Agriculturist indicated several orders are being cut back due to poor preparation of sites. (Consideration is being given to establishing an earlier cut-off date). Councillors would like to see more enforcement of planting regulations and a signed declaration that trees will not be moved from their original planting site.

It was moved and carried that any Council member and Fieldman be authorized to attend the Agricultural Committee Conference at Barrhead on January 28.

The following items were presented for information: Winter Bat Locations, 1972 Conservation Bundle, Agricultural Service Board News, Oliver roadside weed competition, County of Munburn - change in Agricultural Service Board Act, Lear - is not a variety of low erucic acid rapeseed.

Mr. Otto Reich and Mr. Bill Moelhoff were authorized to attend In-Service Training February 7th to 11th. Carried.

Councillors felt Canada Manpower On-the-Job Training for farmers is not too practical for this area as a specific training program for a trained individual would be difficult to justify.

It was moved and carried that all Council members and Fieldmen be authorized to attend the Provincial A.S.B. Conference and that County policy be followed regarding accommodations.

It was moved and carried that Mrs. Sharon Wild be authorized to attend Provincial A.S.B. as representative of Advisory Committee and that County meet her necessary expenses.

DELAYED CORRESPONDENCE

Millbank Local recommends minutes of Agricultural Service Board be sent to locals. As minutes of the Agricultural Committee are presently sent to newspapers, Council concluded this letter must refer to the Agricultural Advisory Committee. Members for that area will be informed.

Correspondence on Compulsory Warble control received for information.

NEW BUSINESS

Suggestions for programs from the Agricultural Advisory Committee to be considered in setting the annual budget were reviewed. These will be evaluated and incorporated into the budget.

The District Agriculturist announcements were: February 2 - Drayton Valley Office Day resumes; February 2, 9, 16, 23, March 1, 8, 15, 22 - Legal Series; February 7 - Advisory Committee and Estate Meeting - Evansburg.

Machine Numbers Issued By Club

The Drayton Valley Snowmobile Club has issued numbers to its members in order to insure identification in cases of disobeying the town and county Snowmobile By-laws.

It was felt that, with numbers on the snow vehicle hoods, the machines would be easily identified if someone should observe the machine breaking the law. Any snowmobiles without numbers would then assure the observer that it was not a club machine.

President of the club, Wes Kennedy, felt that this would help to bring other snowmobiles to observe the law, and thus give snowmobiling the recognition it should have.

"We hope, with co-operation, to make snowmobiling in our area the kind of family sport that people will look up to and respect," he said in a recent newsletter. "With trail rides, family outings, outdoor cooking, visits to lodges, and races, it can be a l of fun for young and older people."

Mr. Kennedy said they were trying to get away from the type of snowmobiling that seems to be against public wishes.

"Let's not run ourselves out of welcome places, and end up hauling our machines to parks where we will have no place to go but around in circles," he said. "Or worse -- we could have them banned as in France!

Keephills News

Lyle and Betty Schweitzer of Stony Plain were visiting Lyle's parents, Mr. and Mrs. Roy Schweitzer recently.

Temperatures here on Jan. 26 touched -60 degrees on the river flat while it was -45 to -50 degrees in town. Some had heating problems with oil and propane furnaces cutting off, as well as cars or trucks freezing up.

School at Duffield was closed on Thursday, January 27th due to lack of heat in the school. Kindergarten class was cancelled at the Keephills School also due to cold weather.

David Pick is working for Edward and David Tattersall now, instead of Vernon Osbak, who has been at home with the mumps.

Congratulations to Nora Dombrosky and Alex Dewald who were married January 27th. Both were former residents of this district.

Congratulations go to Elva and Wayne Clark of Highvale who celebrated their 29th wedding anniversary on February 2nd.

Tomahawk News

A successful whist drive was held in the Tomahawk Library with eight tables of players. Next whist party will be on February 19. Travelling prize winners were Evelyn Traudt and Fred Harrison. First prize winners were Henry Traudt and Dorothy Domke. Consolation prize winners were Alma Schadick and Mr. Overbo.

Welcome to Jollie and Allan Foster and their family, who have bought the hotel from Mary and Bill Flynn, and are taking over management on February 1. They come from Picture Butte, where they have lived the last 16 years. Allan Foster was an Imperial Oil Agent at Picture Butte and Jollie worked at the Medical Clinic for the past nine years. They have four children; Pat, the oldest, works at the Picture Butte hospital, Glenn is in grade 12, Shelly is in grade 10, and Dale is in grade 8

Sympathy is extended to Mr. and Mrs. Howard Brydges and family on the loss of Mrs. Brydges' youngest brother. The day after Howard and Doris's 25th wedding anniversary, they had word that Doris's brother Jim McNeil, 42, was killed in a train-truck accident. He leaves a wife and two daughters. Jim worked on a ranch at Senbac, Sask., east of Provost.

Belated congratulations to Albert and Winnie Martin of Tomahawk who celebrated their 25th wedding anniversary on January 20th.

Letter dated January 18, 1972 requesting a three year extension of Hall Sand and Gravel Ltd. contract in supplying the County with their 1972, 1973 and 1974 gravel crushing requirement was submitted to Council.

It was agreed on motion that this request be approved.

It was agreed on motion that the firm of Strong, Lamb and Nelson Ltd. of Edmonton be appointed as engineering consultants on road construction projects for the year 1972.

CONSTRUCTION PROGRAM – 1972

The following recommendations concerning the operation of the 1972 construction program was presented by the Public Works Manager.

"With reference to the operation of our road construction program, and specifically the County equipment available to carry it out, it has become that unless the Council makes a large investment (approximately $350,000.00) for the replacement of several machines we will not be able to continue constructing road in an economical manner.

Our alternative to replacement, of course, is to increase the amount of contracting. I feel that this is the best solution provided, however, and this is extremely important, our road construction program is approved far enough in advance so that all right-of-way encumbrances can be dealt with and preparations for right-of-way completed in order for a successful bidder to procede without being hindered.

I also would prefer that any grading contracts approved by Council be covered by the general grant acquired from the Department of Highways and Transport. This would make all contract projects subject to the approval and inspection of the District Engineer. I would like to take this opportunity to point out that the three contracts let in 1971, which were covered by the general grant were completed to a standard quite satisfactory to the department and constructed at a reasonable cost.

If this course is followed any one tender called for should be a minimum of five miles of grading regardless of separation of location. This should result in lower bids.

With regards to the use of our own equipment, I suggest that it be concentrated on work which is not feasible to contract out. This work would encompass intersection improvements, construction of low standard access roads, upgrading local roads which have little traffic, landscaping school grounds, replacement of old bridge structures, etc. We would co-ordinate this type of work by forming two small crews utilizing only the best of our equipment and delegating a crew to each of the two areas. In this case I feel we could do away with camps entirely and have construction personnel submit any necessary travelling expenses according to our previous policy approved last year and which applied to one crew only. I might note that this method would not apply to the work Council has committed our machinery to on the construction of the new Drayton Valley airport We will have to use our machinery as required.

If the Council is in agreement with the aforesaid proposals it is my opinion that we should consider auctioning off or calling for tenders on some of our outdated equipment later in the year."

It was agreed on motion that the above recommendations be accepted in principle.

Buck Creek News

Sympathy of the community is extended to the family of the late Jack Barrett of Breton.

Mr. and Mrs. Lance Lee took Melissa to an Edmonton specialist. She was in the Royal Alex Hospital for a week of tests and all reports so far are excellent.

Mr. Ken Gailey returned home yesterday, after spending a week in the Drayton Valley Hospital.

Mr. and Mrs. Al Bara curled in the mixed Legion Bonspiel in Drayton Valley last weekend.

PUBLIC WORKS RECOMMENDATIONS

On motion recommendations as to public works to be undertaken in the year 1972 were approved as follows:

Summer and Winter Maintenance throughout county $266,000.

General Maintenance throughout county $119,000.00.

It was agreed on motion that a soil test of Stony Plain - Lac Ste. Anne Health Unit building site be carried out.

It was agreed on motion that section 13-54-7-5 situated within the County of Parkland boundaries be inspected by the Public Works Committee as to feasibility of being used for recreational purposes.

Mrs. Winnie Clark spent the weekend in Edmonton with her sister.

Mr. and Mrs. Bob Neilsen of Hanna were over-night visitors at the home of Harry Neilsen.

The flu bug has been making the rounds. Just now Holly Johnston has it and Heather is recovering from pneumonia.

The Whittakers are home from a trip to Eastern Canada. They visited relatives and friends in Ontario, Quebec and Nova Scotia. They left November 19th and arrived home January 26th, having travelled almost 8,000 miles.

The Cubs and Scouts had a busy week. Their bottle drive was quite successful last Saturday. Stan Safronovich and Gordon Steffenson took the boys curling last week, and on Sunday, Evelyn and Bill Roos took six of the boys ice fishing at Wabamun.

Mrs. Foster Simpson spent the week in Edmonton visiting the Russ Simpson family.

Sunday School was not held January 23rd because of the very cold weather but January 30th it got away to a good start again, with 23 children, four teachers present and seven adults for Bible study.

Walter Stec who is working at Inuvik has spent the past week at home.

Annual Supper Held by U.C.W.

The annual supper of the United Church Women was held Tuesday, February 1 in the recreation room of the United Church.

A supper was prepared by the ladies, themselves. A short business meeting followed, with a new slate of officers presented by Rev. R. Oldring and accepted by the members.

President, Mrs. Shirley Machan; Secretary, Mrs. Rita Kenworthy; Treasurer, Mrs. Alice Kaarsemaker; Kitchen committee, Mrs. May Ramshaw; Nursery, Mrs. Ann Sware; Publicity, Mrs. Eunice Lyle; with the new unit leaders being:

Mrs. Laura Davidson, Mrs. Jessy Bartlett and Mrs. Carol Hoyland. After the presentation of the officers the entire group held a short devotion period. New officers were installed by Rev. Oldring. A sing-song and games ended the program.

RECREATION ROUND-UP

POISE AND
PLUS

Ladies and Teens are you interested in having a Self-Improvement Course? If so, give me a call at the Recreation Office at 542-3440. We will not be able to run such a program unless we have at least 20 people signed up. The course will be conducted by one of the model agencies in Edmonton and will cost about $10:00 per person. The course will last either six or eight weeks and each session will be two to three hours long. An approximate outline of the program:
1. Importance of self-confidence; 2. Posture--sitting and walking; 3. Make-up, top to toe; 4. Hair styles; 5. How to dress stylishly on a budget; 6. Weight watching and figure improvement; 7. Etiquette; 8. Manicure.
Note: If not enough people are registered at this time the program will not be held. We will phone as well as place an ad in the paper as to when and where the program will be held if it is held.

KNOW YOUR SCHOOLS

This "question and answer" column provides an opportunity for citizens to ask questions about education. If you have any questions concerning the schools you are encouraged to send it to - - "Know Your Schools?", Box 777, Stony Plain, Alberta.

QUESTION: Does the County of Parkland carry any insurance policy to cover accidental injuries to students?
ANSWER: All students are insured for bodily injuries as specified in an insurance policy. They are covered while in school buildings or other premises on regular school days; while participating in any approved and supervised school activity; while travelling to and from an approved school activity as a group under supervision; or while travelling to and from the student's residence to a school activity.

QUESTION: What coverage is provided by the insurance policy?
ANSWER: The policy covers loss of life, loss of limbs, loss of sight special disabilities, dental expenses as a result of an accident, fracture of bones, and emergency taxi services. Other details of the policy can be obtained from your nearest school.

QUESTION: How does a person file a claim in case of an accidental injury?
ANSWER: Claim forms are available from the principal of the school where your child attends. Parents are required to complete the claim form and mail it to the insurance company. Specific directions are given on each claim form

QUESTION: Does the County carry any other insurance?
ANSWER: The School Committee is required by the statutes to keep in force a policy of insurance for the purpose of indemnifying the School Committee and its employees in respect to claims for damages to for death or personal injury. It is also required to carry insurance on damages to school buildings and equipment.
QUESTION: I am an interested ratepayer who would like to know the salary of the Superintendent of Schools and his two assistants?
ANSWER: The Superintendent of Schools receives a salary of $23,000.00 and his assistants receive $18,000.00 each. The Superintendent's salary is based on six years of University preparation and forty years of experience in education. Each of his assistants also has six years of University preparation and an average of fourteen years experience. The provincial foundation program provides finances for these positions through the grant structure.

Gainford News

Sunday, January 23rd, was the J. W. Millar's 14th wedding anniversary. Jim did plan to take Agnes out to dinner, but due to the very cold weather, they just stayed home. However, he promised to take her out later.

Charlie Hartuhn returned home from the city last Saturday.

Jim and Hazel Brown have returned to work with the C.N.R. at Athabasca.

Visitors at the home of Mr. and Mrs. E. Diduk were Mr. and Mrs. Shelpuk of New Jersey. Tom Diduk brought these people out from the city to enjoy a visit with his parents, as some of them had not seen one another for 35 years Mr. and Mrs. Shelpuk were making plans to go by bus to Montana, where they could catch a plane to New Jersey.

Mr. and Mrs. Alf Williams of the Fallis District visited with the Shraeders last week.

The weather must be changing because Walt Kaminski was out looking around his home at the lake.

We are all proud and pleased to have one of the first members of the Edmonton Ski Club living in our district, Mr. O. Sveen, Seba Beach Post Office. Last Friday the club held its sixtieth anniversary, and it now has a membership of over 3,000. Some 150 old-timers enjoyed the get-together and dance. Only 80 members formed the club on December 19th, 1911. Mr. Sveen was unable to attend the social evening in the Club House on Friday, but he is one of the three surviving members of the original club.

Mrs. Woodley, Mrs. Lawley's mother, is improving slowly. She was able to speak the last time the Lawleys were in to see her, and she is able to sit up in a chair and tell the nurses when she is tired. Mrs. Woodley suffered a stroke before Christmas.

Best wishes for a speedy recovery to Mrs. Art Williams who is a patient in the Stony Plain Hospital.

Mr. and Mrs. Marshall of Vancouver, B. C. were visitors at the home of the Kereluik family. Mrs. Marshall is Joan's sister.

We talked to Grandma Brown today at Lloydminster in the Pioneer Lodge and although she is in her 87th year, she is busy making a quilt and says she is feeling fine this winter.

W.I. Discusses Activities

The regular meeting of the Drayton Valley Branch of the Women's Institute was held at Mrs. Roy Burrow's home on January 31st with nine members and two visitors present.

Reports were heard on various activities including the painting of the rest room floor, the dispatch of clothes and jewellery to Alberta Mental Hospitals, The W.I. Girls' Club stall at the Flea Market, and a financial report of the Branches' activities. Members were pleased to learn that after all expenses had been paid the Annual Flower Show ended up in the black.

Mrs. Edmunds, Mrs. Burrows and Mrs. Hammerlindl had a year's perfect attendance.

The District Two Conference will be held at the Corona Hotel on March 7th and 8th. It is hoped that Mrs. Rasmusson, Mrs. Bowen and Mrs. Burrows will be able to attend.

Tentative plans were made for the preparation of articles for the Constitutency Tea and Handicraft Competition.

Following the business part of the meeting Mrs. Burrows showed her coloured slides of Japan. Mrs. Gustafson was hostess.

The next meeting will be held in the W. I. Rest Room on February 28th. Visitors are most welcome.

Association Names Officers

The Purple Pansy Senior Citizens Association held its annual meeting in the Council Chambers, Town Hall, February 2nd.

Two-year directors elected for the ensuing year were Howard Cathrea, Everett Brandt, Bertha Simon, Gladys McMorris, and Christine Reich.

Officers elected were: President, Howard Cathrea; Vice-President, Arthur Munro; Treasurer, Bertha Simon; and Secretary, Gladys McMorris.

The next meeting of the association will be Wednesday, February 16. All new members welcome.

Irradiated Foods

The fourth International Conference on the Peaceful Uses of Atomic Energy, Geneva reports that after years of experimentation and public rebuff regarding the use of radiation to keep foods fresh, the process seems to be coming into its own.

The Israelis and Soviets are irradiating onions and potatoes and have found they sell very well.

In such processing, radiation from a radioactive element, such as cobalt 60 or from an electron accelerator, is used to kill bacteria and fungi within the food.

If the food is then sealed against further contamination, it will not spoil though not refrigerated. No radiation remains in the food. Public suspicion of anything to do with radiation has greatly impeded the exploitation of this technology.

The focus is on research that tests the long-term safety of such foods, preliminary to an application to the food and drug administration for authority to market them. The deputy director of the Food Preservation Institute in the Soviet food ministry, in reporting on development of the Russian program, said the time when any nation begins mass production of irradiated foods "is still some time off."

The Israeli Atomic Energy Commission said that when irradiated onions and potatoes were marketed under the slogan "taste better, stay fresher, last longer" with a one month guarantee such produce outsold the untreated produce. Best radiation treatment retards spoilage; the produce tastes better when it reaches the kitchen table. The potatoes did not sprout, and the customers soon find they keep much longer. Thus, the treated potatoes soon outsold the untreated by four to one.

Garbage May Someday Be Basis For Food

Delegates at Western Hemisphere Conference were told that today's bag of household garbage may be tomorrow's meal, and people will eat it along with foods made from fungus, swamp gas and auto exhaust.

Bacteria that turn cellulose into food might convert a bag of trash into a meal as healthy as a thick steak. Beef steaks will be too expensive. It takes nearly seven pounds of valuable grain, to produce a single pound of animal meat.

Experts are experimenting to make "single cell protein", an edible food product made by bacteria , yeast or moulds.

SUB-MITS

FROM THE ELEMENTARY SCHOOL

From the various collections that teachers have comes this gem of verse. It is self-explanatory.

We'll begin with a box and the plural is BOXES,
But the plural of ox should be oxen, not OXES
Then one fowl is goose, but two are called GEESE,
Yet the plural of moose should never be MEESE.
You may find a lone mouse, of a whole lot of MICE,
But the plural of house is houses, not HICE.
If the plural of man is always called MEN,
Why shouldn't the plural of pan be called PEN.
The cow in the plural may be cows or KINE,
But the plural of vow is vows, not VINE.
And if I speak of a foot and you show me your FEET,
And I give you a boot, should a pair be called BEET?
If one is a tooth, and a whole set is TEETH,
Why shouldn't the plural of booth be called BEETH?
If the singular is this, and the plural is THESE,
Should the plural of kiss be nicknamed KEESE?
Then one may be that, and three would be THOSE.
Yet hat in the plural would never be HOSE.
And the plural of rat is rats, not ROSE.

We speak of a brother, and also of BRETHREN,
But though we say mother, we never say METHREN.
The masculine pronouns are he, his and HIM,
But imagine the feminine she, shis and SHIM.
So English, I think you will all agree,
Is the most wonderful language you ever did see!

Continuing in a similar vein, the students of Mr. Smelard's room, grade six, have been very prolific in the coining of new words. Here are a few samples:

After working very hard on an art project the student asked how we liked his masterpiece. Another student retorted that it was more a "messterpiece" that a masterpiece.

As a culmination for a science unit on "Molecules in Action" the students were making model molecules. Of course, the obvious name for them was "modelcules".

Forced to remain in the classrooms recently because of the very cold weather, an epidemic of "classtrophobia" has struck the class.

The Sexy Egg

1. The egg provides Vitamin A for a clear complexion.
2. Provides B Complex Vitamins to help one to be less nervous.
3. Provides Vitamine E which is the sex Vitamin that prevents sterility.
4. Provides Iron, to prevent tiredness, essential in one's love life.
5. Provides Protein for long lasting strength.
6. Provides few calories (80 per egg) to make the body slim and beautiful, also essential in one's love life.

Rebels Resume Winning Ways

By DOUG BARNES

The Rebels won two games over the weekend defeating Westlock Saturday night 7 - 5 and Stettler Sunday afternoon 6 - 5.

Last Tuesday night, the team travelled to Wetaskiwin to play the Colonels in their annual winter carnival tournament. The Colonels came out skating in the first period and never let up. They beat the rebels to the puck for three periods, and deserved to win 5 - 3. Barry Pankewiez in goal for the Rebels played an outstanding game. He kicked aside 43 shots on goal, while, at the other end, Greg Gunther only had 17 shots to stop for the Colonels. The Rebels were just not up for the game.

Fort Sask. Huskies won the tournament, defeating Camrose 2 - 1 Thursday night and then taking Wetaskiwin 4 - 3 in the finals Friday night. They received the $400 prize money.

The fans who missed Saturday night's game against Westlock missed a good hockey game. Henry Hodgson had one of his best games, scoring four goals for the Rebels and two assists. And while Henry was scoring, Sam Belcourt was getting assists. Sam had another one of his big nights with five assists and one goal.

Cliff Elliot had his best night this season with two goals. Sunday afternoon's game must have been a good one, with the Rebels winning 6 - 5. Sam Belcourt had another big day collecting six points in one goal and five assists. That's 12 points in two days--would make Esposito green with envy. The next home game for the Rebels will be next Saturday night when they host the Barrhead Sabres.

Sympathy is extended to Mrs. Fred Nelson and family on the passing of husband and father, Fred Nelson. Funeral services were held in the Entwistle Chruch on February 1.

Congratulations to Mr. and Mrs. R. Gattzke on winning $50 at the Cosmo T.V. Bingo January 26th. Mrs. Gatzke is in Edmonton looking after her grandchildren while her children are having a holiday in Hawaii.

Mrs. Judy Halko has sold her beauty parlor business to Mrs. Terry Campbell. She took over February 1. We understand Judy will take up residence in Fox Creek.

Curling in the Wildwood men's open spiel was the Arnold Buchholz rink with Ross Campbell, Jim Shroder, and Terry Stevenson curling with him. They won fourth prize in the first event. The rink consisting of the four Mikes--Mike Hotra, Mike Szautner, Mike Borys, and Mike Markewetz--won third in the second event. The Lorenz rink with Pete Kaminsky, Stanley Greenwood, Bill Malenchuck, and Adolph Lorenz came home defeated.

On the hockey scene: the Seniors played against Drayton Valley on February 2, with the game ending in a 5-5 tie. On Thursday, February 3, they played Calmar and were defeated 9-7.

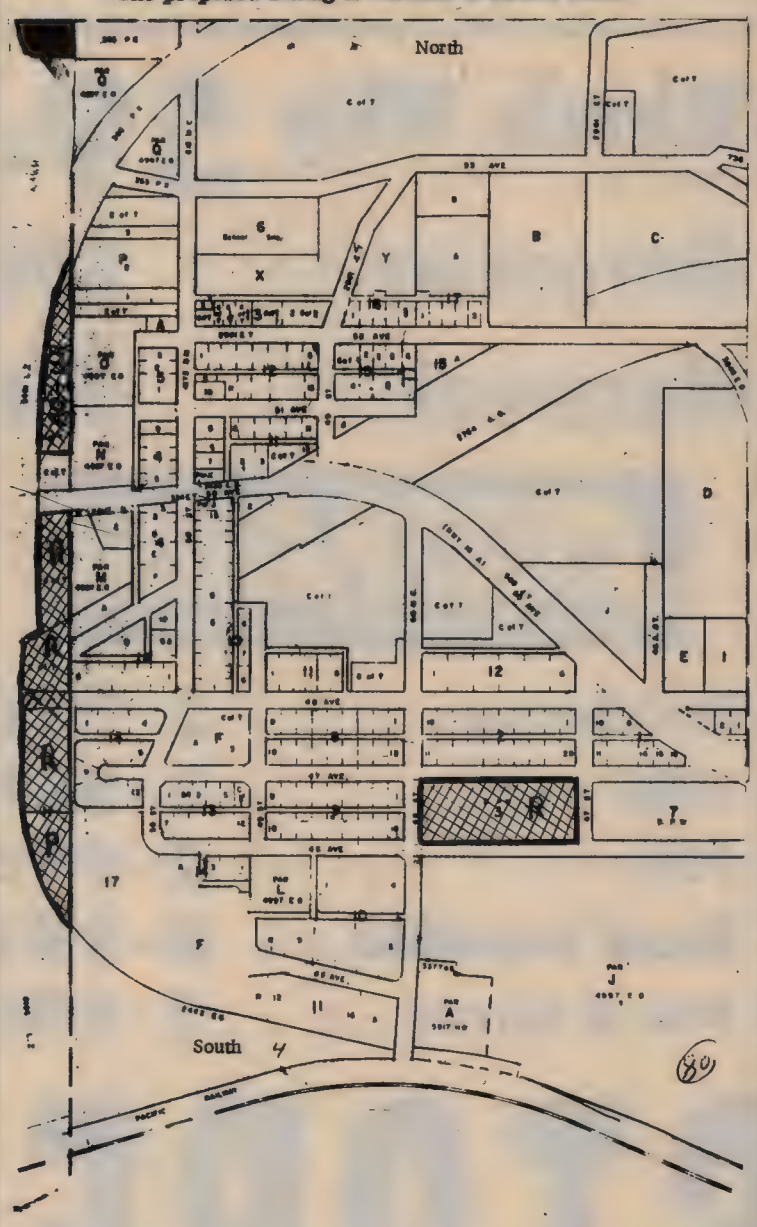
VILLAGE OF EVANSBURG
NOTICE OF PUBLIC MEETING

The Council of the Village of Evansburg, having authority under Section 134 of the Planning Act to amend the Zoning By-Law No. 221 proposes to pass By-Law No. 251 for the following purposes;

That Block 3, Plan 482 C.H. be rezoned from P (Community) to R (Residential)
That the area annexed to the village and now forming a portion of the westerly boundary of the village be designated as follows:
(a) That portion commencing along the west boundary of Lot 2, Block P, Plan 1541 K.S. to within approximately 150 feet of the north boundary of Highway 16A be AG-UR (Agricultural Urban Reserve).
(b) That the portion commencing at the south boundary of Highway 16A to the north boundary of Block 17, Plan 1138 M.C. be R (Residential).
(c) That the remaining area running parallel to Block 17, Plan 1138 M.C. be P (Community).

The proposed zoning is outlined in sketch below:



The proposed by-law may be examined during office hours 10 a.m. to 12 noon and 1 p.m. to 5 p.m. Monday through Friday at the office of the Secretary-Treasurer, Village of Evansburg.

The Public Hearing will be held in the Village Office at 5:00 p.m. on February 21st, 1972.

Written objections to the proposed by-law will be received at the office of the Secretary-Treasurer until 4 p.m. of the 21st day of February 1972. Objections shall be submitted in writing prior to the meeting.

(Mrs.) Mary Cumming
Secretary-Treasurer
Village of Evansburg

Experience Program Instituted

Evansburg high school students can now obtain experience in their chosen fields through a Work Experience Program started this semester at the school.

According to Principal John Keast, nine students are involved in the program.

Each student receives five credits for his work and is marked on such items as cost conscience, dependability, appearance, and work conscience.

The work experience constitutes about 1 1/2 hours per day, adding up to 185 per semester.

Mr. Keast said that it involved mostly grade 12 students who needed extra credits and wished to gain some experience at the same time.

Associated with the Board of Industrial Relations, the students are marked by their employers. Students completing the province-wide program will then be able to enter a career with some experience behind them.

Reno News

The annual meeting of the Reno Society was held recently at the hall. Newly elected officers are: Paul Prylowski, President; Executive, Ben Van Es, Lorrie Kozaks and Albert Morosse.

Grandma and Grandpa Tudge are spending two weeks with their daughter, Rose Stone and husband Jack and their seven grandchildren in Valemont, B.C.

Birthday greetings go out to Mr. John Tudge (Grandpa) who will be 80 on Feb. 11. Birthday greetings also to Jack Taylor whose birthday is February 14.

Sorry to hear that Pansey Schenning is undergoing treatment in Edmonton for an injured elbow. The mishap occured when she slipped on a piece of cardboard during her working hours last Monday night.

Sympathy is extended to Mrs. Fred Nelson and family on the recent passing of their husband and father after a lengthy illness. We are sorry to hear that Mr. Nelson's brother Lloyd of Edmonton passed away the day before Fred's funeral.

Site of the new high school in Evansburg now under construction.

Evansburg High School Construction Progressing

It all began with the idea of a Regional High School for the area including Evansburg, Niton, Wildwood, Entwistle, and other small towns back in 1967.

But according to Evansburg High School Principal, J.E. Keast such an idea set the whole area into political squabbling, resulting in delay of decision until November, 1971.

Finding, through the defeat of a plebiscite in 1970, that the Regional High School idea would be improbable plans were changed to make it a high school based on tuition agreements. It will now serve Evansburg, Entwistle, Wildwood areas, and other villages nearby.

Total cost of the building comes to $1,300,000, with construction now underway by Marshall Lee Construction of Edmonton on a parcel of land between 48 St. and 46 St. in Evansburg.

Rooms will include eight basic classrooms, a language lab, business education area, with merchandising, typing and business rooms, physics, biology, chemistry labs, central library, ancillary rooms, two-station home economics lab, a 5,500 sq. foot industrial arts area, gym with showers, janitor rooms under the mezzanine, administration area, staff lounge, conference rooms, and counselling rooms.

Covering an area of 56,000 square feet, the school is expected to be completed by September 1972 for fall opening. Outside area will include a 1/4-mile track with football field, and playground area.

Room for expansion has been allowed on the southern portion of the present plans. The school building will be finished in a new type of outer finishing called modular clay units, according to construction foreman Henry Gour.

It is expected that the school will hold about 400 students, as compared to the 230 now attending the old high school.

Programs, of course, will be greatly increased, with an increase of staff from 11 1/2 to 18.

Comparing the programs now offered to the high school students with the expected programs in the new school, it can be seen that students will have more choice of what they wish to take, and thus more chance on a future career.

Most noticeable is the addition of the home economics and industrial arts classes, which students now cannot take due to lack of room and staff.

Burtonsville News

Ekmand Hansen spent three weeks visiting his niece Isobel and her husband on Vancouver Island. Storms and bad travelling conditions caused him to delay his return trip. At time of writing he is visiting his two brothers-in-law, Albert and Jack Lenahan at Chilliwack, B. C.

Mr. and Mrs. Jim Bailey were among those who attended the house warming for Dennis and Marilyn Wagner at Spruce Grove on Saturday evening.

The Evangelical Ministers Retreat will be held at the Banff School of Fine Arts from February 2nd to February 4th. Rev. J. D. Kennedy is planning on attending it.

Mr. and Mrs. Jim Bailey and family and their uncle Sam Bailey were at Mr. and Mrs. Hugh Wilkie's for supper on Sunday, January 30th.

Rev. J. D. Kennedy celebrates his 71st birthday on February 4. Congratulations and may God grant you many more.

The men are busy putting a new ceiling in our local church. It is hoped it will not only add to the appearance but also to the warmth of the building.

OVEN FRIED FILLET OF OCEAN PERCH.

Figuring ¼ to ½ lb. per individual serving, soak fillets in milk 10 min. Roll in seasoned bread crumbs (1 cup crumbs, 1 tsp. salt, ½ tsp. pepper, ½ tsp. Accent). Arrange in buttered baking dish. Drizzle generously with melted butter, bake 10 min. in hot oven 500 degrees F. Serve hot with grilled tomato and mashed potato. Variation accompaniments; lemon wedge, tartar sauce or parsley butter. Sara Lee dessert cake choice and beverage round out a delicious meal.
